- Any quotation submitted will be regarded as an offer by the bidder and does not constitute or imply the acceptance of any quotation by UNFPA. UNFPA is under no obligation to award a contract to any bidder as a result of this RFQ.

VI. Overview of Evaluation Process
Quotation will be evaluated based on the compliance to the requirements stated in the RFQ document and the price quotation (lowest priced technically acceptable offer):
The evaluation will be carried out in a step by step process by an ad-hoc evaluation panel:
1. All requirements set forth in Section IV received by the deadline.
2. Evaluation on the quotation of Provision Warehouse to determine:
   - Yes: meet the requirements
   - No: does not meet the requirements
3. Bidder(s) who obtain “yes” in the above number (2) will be processed for price comparison.

VII. Award Criteria
In case of a satisfactory result from the evaluation process, UNFPA intends to award a Lease Agreement on a fixed-cost basis with duration of 1 (one) year with possibility for extension to the Bidder that quote the lowest-priced technically acceptable offer, whose bid has been determined to be compliant with the RFQ documents

VIII. Right to Vary Requirements at Time of Award
UNFPA reserves the right at the time of award of contract to increase or decrease, by up to 20%, the volume of services specified in this RFQ without any change in unit prices or other terms and conditions.

IX. Payment Terms
UNFPA payment terms are net 30 days upon receipt of monthly invoice and delivery/acceptance of the milestone deliverables linked to payment as specified in the contract.

X. Fraud and Corruption
UNFPA is committed to preventing, identifying, and addressing all acts of fraud against UNFPA, as well as against third parties involved in UNFPA activities. UNFPA’s Policy regarding fraud and corruption is available here: [Fraud Policy](#). Submission of a proposal implies that the Bidder is aware of this policy.

Suppliers, their subsidiaries, agents, intermediaries and principals must cooperate with the UNFPA Office of Audit and Investigations Services as well as with any other oversight entity authorized by the Executive Director and with the UNFPA Ethics Advisor as and when required. Such cooperation shall include, but not be limited to, the following: access to all employees, representative’s agents and assignees of the vendor; as well as production of all documents requested, including financial records. Failure to fully cooperate with investigations will be considered sufficient grounds to allow UNFPA to repudiate and terminate the Agreement, and to debar and remove the supplier from UNFPA’s list of registered suppliers.

A confidential Anti-Fraud Hotline is available to any Bidder to report suspicious fraudulent activities at [UNFPA Investigation Hotline](#).

XI. Zero Tolerance
UNFPA has adopted a zero-tolerance policy on gifts and hospitality. Suppliers are therefore requested not to send gifts or offer hospitality to UNFPA personnel. Further details on this policy are available here: [Zero Tolerance Policy](#).

XII. RFQ Protest
Bidder(s) perceiving that they have been unjustly or unfairly treated in connection with a solicitation, evaluation, or award of a contract may submit a complaint to the UNFPA Representative, Ms. Anjali Sen at [indonesia.office@unfpa.org](mailto:indonesia.office@unfpa.org). Should the supplier be unsatisfied with the reply provided by the UNFPA Representative, the supplier may contact the Chief, Procurement Services Branch at [procurement@unfpa.org](mailto:procurement@unfpa.org).

XIII. Disclaimer
Should any of the links in this RFQ document be unavailable or inaccessible for any reason, bidders can contact the Procurement Officer in charge of the procurement to request for them to share a PDF version of such document(s).

**Vendor’s Comments:**

I hereby certify that the company mentioned above, which I am duly authorized to sign for, has reviewed RFQ UNFPA/IDN/RFQ/21/015 including all annexes, amendments to the RFQ document (if applicable) and the responses provided by UNFPA on clarification questions from the prospective service providers. Further, the company accepts the General Conditions of Contract for UNFPA and we will abide by this quotation until it expires.
ANNEX I:
General Conditions of Contracts:
De Minimis Contracts

This Request for Quotation is subject to UNFPA’s General Conditions of Contract: De Minimis Contracts, which are available in: English, Spanish and French.
ANNEX II:
Terms of Reference (TOR)

BACKGROUND
The United Nations Population Funds (UNFPA) Indonesia Country Office seek proposals from qualified suppliers to avail storage space for rental of non-food items and emergency relief supplies. The warehouse will need to handle both incoming and outgoing UNFPA supplies and be accessible by the main roads in a convenient part and safe as we want to consider proximity to our office in Jakarta as well as accessible for distribution.

General information

UNFPA Jakarta Country Office is looking for a warehouse, the preferred location for the warehouse is along main roads and accessible for loading and unloading, however other suitable secure areas within accessibility to main roads will also be considered.

Cargo to be stored may include Set of Tents, Boxes of Dignity Kits, Printing/Publication Material and other UNFPA material/equipment related to humanitarian program.

Minimum floor space of the warehouse shall be followed:
- Humanitarian Warehouse : minimum 100 square meters
- LNOB Warehouse : minimum 130 square meters
of covered warehouse area. Higher floor space will be considered as an advantage and UNFPA will not pay the higher floor space.

UNFPA REQUIREMENTS/TECHNICAL PROPOSALS
1. Location and Access (attach photo):
   The storage facilities shall be situated in the territory of the fenced compound and in the proximity of the main road or via a wide access road of minimum 20-meter width and within 100 meter maximum length. The compound shall be one and contiguous with sufficient space for minimum 2 trucks maneuvering and parking. The storage premises shall not be sited in an area susceptible to flooding and/or landslides. The warehouses must not be located near military quarters or close to hazardous substance manufacturing facilities. The warehouses must not be located in areas prone to flooding and should be built and equipped in a manner that allows proper drainage of rainwater and prevents water accumulation on the warehouse floor or in adjacent areas.

2. Safety Considerations:
   The warehouses are to have strong and well-fitted metal gates and other anti-burglary protection elements such as strong metal bars on the windows, operational CCTV equipment with power back-up and digital recording capabilities, lighting the interior yards and fences with lighting units that are resistant to weather factors, of a minimal capacity of 250 Watts and should be connected to an independent distribution board in the guard’s room. (Preference may be given to the sheds having
3. Fire Prevention:
The facilities must be secured against flammable materials from internal and external fire hazards such as wildfire, loose electrical wires, etc. Availability of regularly maintained fire extinguishers (portable and stationary units) with proximity to the operating water pipe or water tank with fire hoses will be considered an advantage.

4. Facility
   - Structural soundness
     - The Construction materials used for walls must be non-flammable.
     - Flooring must be made of reinforces concrete (crack-free).
     - Roof must be leak-proof and is being regularly inspected and maintained.
     - Lighting of storage areas are recommended to be natural through lighting openings.
     - Maintain the ventilation of the warehouses by providing industrial exhaust fans or depending on natural ventilation through opposite opening in the warehouse walls.
     - All wires and electrical devices must be secured and correctly installed. An independent storm water drainage network (open channel or pipelines) is set up and connected to the street level to evacuate the rain water out of the warehouse.
     - Room height minimum 3 meters, good circulation of air, clean and room temperature isn’t humid
   - Functionality
     Preference will be given to the warehouses with multiple docks/gates for simultaneous IN and OUT goods’ handling; availability of strong shelving/racking system will be considered as an advantage; due consideration will also be given to the availability of ramp for simplified mechanical goods’ handling.
   - Dependable utilities
     Availability of electrical power grid and back-up power supply (cost of electricity and generator maintenance and fueling has to be included into the cost of rent);
   - Office space
     Availability of AC office space of minimum 10 square meter for warehouse staff, water and toilet and sewage facilities for warehouse team.

5. Lease Terms:
The term of the warehouse lease is for one (1) year with possibility of extension. The rate has to be inclusive of all stated expenses (exclusive of all taxes, since UNFPA is exempt from taxes) and including the maintenance.

6. Yearly Rent Service
The lease rental amount to be paid to the Contractor will be based on the yearly basis. The annual rent shall be payable within thirty calendar days upon signing of the lease agreement. In the event the UNFPA’s use and occupancy of the demised Premises is for less than a year, the annual rent shall be pro-rated.

7. Main duties and responsibilities of Contractor
   - Maintain unhindered access to UNFPA for the warehouse facilities throughout the contract period. This should be guaranteed with 24-hour availability in case of emergency so UNFPA can respond to a displacement on holidays and over the weekends.
   - Entrance access needs to be given to authorized UNFPA partner staff and vehicles in order to report
to work daily.

- The Contractor is responsible for appropriate Insurance of the warehouse Building. UNFPA shall arrange the insurance of its core relief items/equipment stored in the warehouses.
- Where damages to existing facility occur, the contractor undertakes to repair them within 48 hours of notification given.
- Obtain all necessary permission from authorities to carry out the warehouse operations.

Provision of utilities and other related services
The contractor shall be responsible to provide following utilities and services to UNFPA. The amount of any such utilities/services to be included in the Warehouse rental.

- Adequate inside and outside light and electricity.
- Adequate light in public spaces and stairwells.
- Payment of all utility charges (electricity, water) to be made by the Contractor included in the yearly rent.
- Backup Generator, its maintenance and fuel to be provided by Contractor. The generator to be kept on especially during the night in case of no electric supply from the Government.
- All other facilities and services which it makes available generally to tenants in the building; and
- Cleaning services, adequate to maintain the entrances and common areas of the building in condition and at a standard of cleanliness appropriate for the use for which they are intended by UNFPA.
